Mobile Application Developer Intern- 2 Position

Job Description:

We are looking for a creative Mobile Application Developer to join our team. The ideal candidate will be a fresher or have up to 1 year of experience in mobile app development.

Responsibilities:

- Develop and maintain mobile applications for Android and iOS platforms.
- Collaborate with designers and developers to create user-friendly applications.
- Troubleshoot and debug to optimize performance.
- Stay updated with the latest mobile development trends.

Qualifications:

- Bachelor's degree in Computer Science or a related field.
- Proficiency in mobile development languages (Java, Swift, Kotlin, or Flutter).
- Knowledge of mobile app design principles.
- Basic understanding of RESTful APIs.
